

# Machine Operator

## Job Description

---

**York Building Products** is looking for a **Machine Operator** for plant locations in Central PA.

**York Building Products** is one of the nation's largest producers of concrete masonry units, manufacturing architectural masonry, structural retaining walls and residential landscape walls. In addition, we produce crushed stone, sand and gravel through our quarries in PA and MD, and produce concrete pavers through our NewLine Hardscapes division and colored mortar through our WORKRITE® Colored Cements division.

**Position Overview:** This position is responsible for the setup, maintaining, and operation of our machines. The machine operator ensures efficient and safe production of our product.

### **Essential Duties and Responsibilities:**

- Set up machines (calibration, cleaning etc.) to start a production cycle
- Control and adjust machine settings, perform preventative maintenance
- Inspection of materials
- Troubleshoot and perform maintenance on machinery
- Inspection of product, finished and pre-finished, and take required corrective actions.
- Other duties as assigned.

### **Qualifications and Position requirements:**

- Working knowledge of diverse high-speed machinery
- Understanding of production procedures
- Attention to detail
- Ability to read, understand, and follow safety procedures
- Mechanical background preferred
- Electrical, pneumatic, and hydraulic skills a plus
- Ability to work a flexible schedule with overtime during peak season

**York Building Products** is an Equal Opportunity Employer.

We offer a competitive salary and benefits package which includes: Medical/Dental/Vision coverage, Life and Disability Insurance, Retirement Plan, Voluntary Supplemental Insurance products, Employee Assistance Plan, and paid vacation.

Applicants may send resumes directly to [employment@stewartcompanies.com](mailto:employment@stewartcompanies.com), and we also accept applications at The Stewart Companies Employment Office, 950 Smile Way, York, PA 17404, Monday – Friday, 8:00 a.m. – 5:00 p.m.
